**Chairman's Message**

Dear Shareholders,

I am pleased to present the Annual Report of the bank for the financial year 2020-21.

The Financial Year 2020-21 was the most challenging period not only for India but also the entire world. As you are aware, Covid-19 abruptly pushed the economy out of track. To mitigate the negative impact of Covid-19 on the economy, the government has implemented a judicious mix of fiscal and monetary policies. Reserve Bank of India also responded with various measures to alleviate the negative economic fallout of the pandemic. Due to the impact of the pandemic the asset quality and profitability of the Bank suffered despite our best efforts. Credit growth was below the expected level.

During the current financial year Bank's focus will be on consolidation of position. We will put every effort to see Bharat Bank emerge as a healthier, stronger, and more admirable Bank in the near future. We shall also continue to focus on customers' needs to help them recover from the impact of the pandemic. Challenged customer segments will be given greater attention. Bank shall make the best use of digital channels to provide the best quality services to the customers.

It gives me great pleasure to state that recently Bharat Bank has won three prestigious awards. We have bagged IBA Technology Award for "IT RISK Management & Cyber Security Initiatives". ASSOCHAM has accorded the Bank with two awards-Digital Deposits (Runner-up) and Digital Services (Runner-up) in the Co-operative Banks category. These awards indicate that the Bank is striding towards embracing the best banking technologies to provide a quality service experience to customers while ensuring that the best safety measures are put in place to protect customer's data and money.

We need to tap into our strengths and support systems to effectively overcome challenges and pursue excellence. Building resilience is the need of the hour. I can assure you that your Bank has put appropriate plans, systems and procedures in place to achieve sustained growth.

It is a matter of pride for the Bank that even during these turbulent times Bank's workforce continued to render dedicated services to its customers without compromising on quality.

I thank all stakeholders of the Bank for your unwavering trust and support even during unfavourable times. I thank all the shareholders, customers, and well-wishers of the Bank who stood by us. I solicit your continued support to boost our confidence required to excel in our journey forward.

DIRECTORS' REPORT

Dear Shareholders,

The Board of Directors has pleasure in presenting the Forty Fifth Annual Report along with the Audited Statement of Accounts for the financial year ended 31st March, 2021.

GLOBAL SCENARIO

The sudden outbreak of COVID-19 pandemic had triggered the recession leading to an unprecedented turbulence in economies across the world during the year. Global economic activities remained moderate and growth numbers were estimated to contract by 4% in 2020 (as per World Bank Press Release dated 05 Jan, 2021). A number of monetary authorities also announced changes in their monetary policy frameworks to enhance policy flexibility and improve monetary transmission.

As per the International Monetary Fund (IMF) 's forecast for global economic growth in 2021, the global economy is likely to expand in 2021 as vaccine rollouts accelerate and advanced economies spend aggressively to counter the COVID-19 pandemic and related lockdowns. The IMF expects the world economy to grow by 6% this year. Activity in few sectors has picked up and partially adapted to pandemic restrictions. Vaccine rollout, although uneven, is gaining momentum and government stimulus measures are likely to provide a major boost to economic activities. A sustained recovery from the pandemic will depend not only on the size of the stimulus measures, quick rollout of vaccines, but also on the quality and efficacy of these measures to build resilience against future shocks.

INDIAN ECONOMY

The Economic Survey 2021 has forecast India's economy to contract 7.7% in 2020-21, before witnessing a sharp recovery of 10-12% in 2021-22. Economy was impacted majorly after stringent lockdowns and economic disruptions that the country experienced during first and second quarter of F.Y. 2020-21. The subsequent change in lockdown policies and success in reducing infection rates supported an economic turnaround to some extent in the third quarter. The government announced various measures in the Union Budget 2021-22 to boost economic growth. However, when the economy was showing signs of returning to normalcy, recent outbreak of second wave in India has caused a bigger setback.

As per the Indian Economic Development & Growth Report, structural reforms, and policy push, along with a series of steps announced in the Union Budget 2021-22 to achieve broad-based inclusive development are likely to reinforce the economy and put it back on a strong and sustainable growth path in the coming year. As per Economic and Social Survey of Asia and the Pacific 2021, Indian economy is estimated to record an economic growth of 7% in 2021-22. As per IMF Report, the latest forecasts suggest that India is well placed to experience a solid economic recovery in 2021, in contrast to other emerging markets and developing economies, where it's likely to take longer to return to pre-crisis levels.

DIRECTORS' REPORT

The Monetary Policy Committee (MPC) of the Reserve Bank of India has maintained accommodative monetary policy during F.Y. 2020-21. Systemic liquidity in F.Y. 2020-21 has remained surplus as RBI undertook various measures like Open Market Operations, Long Term Repo Operations and Targeted Long Term Repo Operations. The rural demand remained buoyant and record agriculture production for 2020-21 complemented well for its recovery. Urban demand had been gaining strength on the back of normalisation of economic activities. Firms engaged in manufacturing, services and infrastructure were optimistic about a pick-up in demand and expansion in business activity into 2021-22. Consumer confidence, on the other hand, has dipped with the recent surge in COVID infections in some states imparting uncertainty to the outlook. Taking these factors into consideration, the projection of real GDP growth for 2021-22 is retained at 10.5 per cent. (Source: RBI Monetary Policy Report-April 2021).

ADVANCES

Banking industry in large witnessed marginally subdued credit growth during the year under report mainly due to the severe impact of COVID-19 pandemic on almost all the sectors. As key industries, especially the MSMEs, real estate, textile and hospitality related business were almost at standstill during larger part of the financial year, bank could not deploy funds in these sectors. However, bank extended financial support to all such business units by way of additional loans or by restructuring existing loans and grant moratorium period within the guidelines of RBI as an assistance to tide over the liquidity crunch faced by them.

Loans and Advances of Bank were ₹ 7268.89 crore as on 31.03.2021 as compared to ₹ 7853.40 crore as on 31.03.2020 and Credit Deposit(CD) Ratio stood at 56.91%.

DIRECTORS' REPORT

NON-PERFORMING ASSETS

Business across the sectors were impacted severely due to nationwide lockdown.

The Bank outlined various strategies to curtail slippages and improve collections in stressed accounts. The recovery measures were initiated by taking appropriate legal recourse under Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 (SARFAESI), wherever warranted.

However, Banks were restrained from evicting/dispossessing borrowers from their mortgaged properties till 31.01.2021 by Hon'ble High Court, Bombay by virtue of its judgement dated 09.12.2020.

The downtrend in economy due to the pandemic has adversely affected cash flow of the Borrowers, which resulted in delays and defaults in servicing loans. Further, the Hon'ble Supreme Court of India had adjudged that moratorium shall not be extended beyond August 2020, but restrained banks from classifying any such defaults accounts as NPA till further orders. Hon'ble Supreme Court vide its order dated. 25.03.2021 lifted the said stay/restraint order. Therefore, NPAs had substantially increased in the month of March 2021 across banking industry, including our Bank.

Despite close monitoring and proactive approach/action, the Bank faced major hurdles in enforcing the securities due to delays in legal proceedings and the time taken for resolution / liquidation under the Insolvency and Bankruptcy Code (IBC) for cases under National Company Law Tribunal (NCLT).

Accordingly, within the guidelines concerning the Asset Reconstruction Model regulated by RBI to assign the Debts / NPAs by Banks either to Scs / Fis / NBFC / Banks or Asset Reconstruction Company, Bank has assigned certain NPA accounts to Asset Reconstruction Companies. The Reserve Bank of India has considered assignment of NPAs not merely as part of the business of banking but also something which is conducive to the banking business.

The Gross NPAs of the Bank were ₹ 677.11 crore forming 9.32% of total advances as on 31st March, 2021. Net NPAs of Bank as on 31st March, 2021 were ₹ 518.97 crore which is 7.30% of net advances.

Bank refers disputes relating to recovery of dues in the State of Maharashtra to Justice Shri Rajan Jodharaj Kochar (Retd.), High Court of Bombay, Shri Vasant Narayan Lothey (Patil), Ex-Presiding Officer (Judge), Debt. Recovery Tribunal III, Mumbai & Debt Recovery Tribunal II, Ahmedabad and Mr. Kailaschandra L. Vyas, Advocate & Retd. District Judge; who were appointed as Arbitrators by the Commissioner for Co-operation and Registrar of Co-operative Societies, Maharashtra State.

Disputes relating to recovery of dues in the State of Karnataka are referred to Shri C. N. Badarinath, Additional Registrar of Co-operative Societies (Retd.) and Central Arbitrator & Ex-Member, Karnataka Appellate Tribunal, who was appointed as Arbitrator by the Central Registrar of Co-operative Societies in Karnataka.

INDEPENDENT AUDITOR'S REPORT

To,
The Members,
Bharat Co-op. Bank (Mumbai) Ltd.,
Goregaon (East)

Report on Financial Statements

We have audited the accompanying financial statements of **Bharat Co-operative Bank (Mumbai) Limited** ('the Bank') as at 31st March 2021, which comprise the Balance Sheet as at 31st March 2021, the Profit and Loss Account, and the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information. The returns of Head Office and its departments and 103 branches audited by us / by the Concurrent Auditors are consolidated in these financial statements.

As informed to us, by the management, the Bank has not received any specific guidelines from the Central Registrar of Co-operative Societies with respect to selection of branches to be covered under audit. Since all branches are subject to statutory, internal or concurrent audit, the matter of submission of details of percentages of advances / deposits / interest income / interest expense of unaudited branches is not applicable.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements together with the Notes thereon give the information required by the Banking Regulation Act, 1949, the Multi State Co-operative Societies Act, 2002 and the Multi State Co-operative Societies Rules, 2002 and the guidelines issued by the National Bank for Agricultural and Rural Development (as applicable) and guidelines issued by Reserve Bank of India and the Central Registrar of Cooperative Societies, in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Bank as at 31st March, 2021 and its profit and its cash flows for the financial year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India. Our responsibilities under those Standards are further described in the Auditor's Responsibility section of our report. We are independent of the Bank in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with ethical requirements that are relevant to our audit of the financial statements under the provisions of the Banking Regulation Act, 1949 and the rules made thereunder and under the provisions of the Multi State Co-operative Societies Act, 2002 and rules made thereunder and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to note 19 of the notes to the accounts which indicates that the situation on account of the COIVD-19 pandemic continues to be uncertain and for which a definitive assessment of the impact in the subsequent period is highly dependent upon circumstances as they evolve. The extent to which the COVID-19 pandemic will impact the Bank's financial performance and position will depend on future developments, which are highly uncertain.

Our opinion is not modified in respect of this matter.

INDEPENDENT AUDITOR'S REPORT

Other Information

The Bank's management and Board of Directors is responsible for the other information. The other information comprises the information included in the Bank's annual report but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Bank's Board of Directors is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Bank in accordance with provisions of the Banking Regulations Act, 1949, the guidelines issued by the Reserve Bank of India and the guidelines issued by the National Bank for Agricultural and Rural Development (NABARD), the Central Registrar of Cooperative Societies, the Multi State Co-operative Societies Act, 2002, the Multi State Co-operative Societies Rules, 2002 (as applicable) and accounting principles generally accepted in India so far as applicable to Banks. This responsibility includes the design, implementation and maintenance of internal controls relevant to the preparation and presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Bank's financial reporting process.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- a. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.

- c. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- d. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Bank to cease to continue as a going concern.
- e. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

19) Consequences of COVID-19 :

The Covid-19 pandemic has impacted most economies and banking systems globally, including India. The nation-wide lockdown in April-May 2020 substantially impacted economic activity. The easing of lockdown measures subsequently led to gradual improvement in economic activity and progress towards normalcy. For the banking sector, these developments resulted in lower demand for loans and fee-based services and regulatory measures like moratorium on payment of dues and standstill in asset classification to mitigate the economic consequences on borrowers. It also resulted in increase in provisioning reflecting higher actual and expected additions to non-performing loans following the cessation of moratorium and asset classification standstill. The current second wave of Covid-19 pandemic, where the number of new cases has increased significantly in India, has resulted in re-imposition of localized/regional lock-down measures in various parts of the country.

The impact, including credit quality and provision, of the Covid-19 pandemic, on the Bank and the Group, is uncertain and will depend on the spread of Covid-19, the effectiveness of current and future steps taken by the governments and central bank to mitigate the economic impact, steps taken by the Bank and the time it takes for economic activities to return to pre-pandemic levels. The Bank's capital and liquidity position is strong and would continue to be a focus area for the Bank during this period.
